

In 2004 Pennie travelled to Budapest with four other New Zealanders to the first Summer School in the English Language at the **Pikler Institute**. In March 2005 Pennie designed and delivered the first **Baby'space** training for CAPS Hauraki, sharing her learnings around The Culture of Respectful Partnership.

In 2008 she wrote **Dance with me in the Heart: the Adults' Guide to Great Infant-Parent Partnerships**, and in 2011 offered the first **Heart Dancing for Facilitators**, a training for people who want to facilitate **Dance with me in the Heart Parent-Infant Classes**.

This course is a fruit of four decades as a teacher, a parent, an adult educator, and is inspired by the work of **Dr. Emmi Pikler** and **Joseph Chilton Pearce** - among others.
