

## Dance with me in the Heart

Heart Dancing Classes for  
Facilitators of Parent-Infant classes

at The Nest • Clive  
October 20th - 22nd, 2017

from 6.30pm on Friday to 3.00pm on Sunday

Facilitated by Pennie Brownlee

### Fee \$550

includes course fee, a Facilitator Handbook, a Parent Handbook, meals except breakfast, and something to write with and write on, a folder, and Skype or email mentoring. Sorry, it does **not** include accommodation.

## The Nest Venue

The course will be held at **The Nest, Clive**, on the main highway just north of the river. You will have heard of The Nest, now is your chance to experience it. There will be lots to inspire you as you wander around this beautiful place.

## Accommodation options

Unlike the previous residential courses, this course does not include accommodation, so you will need to find accommodation for yourself to suit your budget.

If you look on the net there are lots of options for the Hawkes Bay, ranging from budget in camping grounds to luxury in hotels. Then again, you might be lucky and have an Aunty or friends living close by whom you could stay with.

You might want to chance your luck with WOTIF. It is an accommodation website, where closer to the date you want, the standard prices for rooms drop.

## Warmest greetings to you

Warm Greetings to you, and thankyou for deciding to be part of the 'Heart Dance revolution', dancing with the parents and their little ones.

This time together will be intensive, there is a lot to cover in a short time. We'll make sure it will still be fun though. I'm pretty sure you'll feel more like you have been playing than working at the end of it.

This is the seventh Heart Dancing for Facilitators training. Kimberley Crisp and her team have very kindly agreed to offer their special place **The Nest** as the venue for us. That fits in perfectly with the ethos of this training. One of the prerequisites for Parent-Infant Classes is an environment of harmony and beauty, so you get the chance to experience what 'eco harmony and beauty' can look like in Early Childhood.

Have a look through the programme outline and see if you want join us in October.

With much love,  
Pennie

If you are thinking of bringing a friend, remember that **participants do have to have completed Dance with me in the Heart • Level One (Baby'space) before they can enrol in this course.**

the facilitators' steps for  
**Dance with me in the Heart**  
Parent-Infant Classes

### Programme Outline

In this course we will look at the little picture and the big picture, because they are both parts of the same picture. You are more effective as an agent of change if you understand where you fit in both. Course content includes:

#### Power dynamics

- the societal shift that is underway, from the dominance paradigm to the partnership paradigm.
- the pivotal role that parent-infant classes have in that shift
- your role as a model of that shift

#### Teaching dynamics

- how to set up a sacred space
- the skills to create learning partnerships
- the skills of brain-compatible teaching for learning

#### The ten session curriculum

- looking at the curriculum
- learning how to facilitate the practical exercises that require sensory awareness for their success.

*Anyone for tea at The Nest?*

**Registration Form:** There are no phone or email bookings. You are not enrolled until you return the form along with your deposit (**only**) of \$100 .
