

Tairawhiti REAP warmly invites you to
Peace, Power and Partnership
a workshop with Pennie Brownlee

All babies are born expecting a Partnership, but they cannot dance the partnership dance with us if we have forgotten how the steps go.

The **most important dance** in every baby's life is the **Partnership Dance**. Each **baby's future** rests upon how **well this dance is accomplished**.

In this workshop we explore how to **create** deep and respectful partnerships with **babies, toddlers and young children**. Join us and find skills to improve the **quality** of the **group care** we provide for **children under three** when they are the **most vulnerable**.

- **Friday 18th August** from **9 am to 3.30 pm**
- Fee **\$100** - includes morning tea & lunch
- At **Holy Trinity Hall**, Cnr of Derby & Palmerston Roads, Gisborne
