# Peace, Power and Partnership • Nelson

a workshop with Pennie Brownlee

All babies are born expecting a Partnership, but they cannot dance the partnership dance with us if we have forgotten how the steps go.

The **most important dance** in every baby's life is the **Partnership Dance**. Each **baby's future** rests upon how well this dance is accomplished.

In this workshop we explore how to **create** deep and respectful partnerships with **babies, toddlers and young children**. Join us and find skills to improve the **quality** of the **group care** we provide for **children under three** when they are the **most vulnerable**.

- **Friday 16th June** from **9 am** to **3.30 pm**
- Fee **\$155** - includes morning tea & lunch
- At **Fairfield House**, 48 Van Diemen Street, Nelson
