

*A very warm invitation to*  
**Tell Me a Story**

a workshop with **Pennie Brownlee** in **Invercargill**

*All human beings have an innate need to hear and tell stories, and to have a story to live by.*  
*Harvey Cox*

**In this workshop we explore ~**

- our critical role in introducing 'nourishing' stories to our children and telling them over and over
- the patterns of the story, and learn to recognise patterns of higher integrity
- the way those patterns make a psychological map the child will follow subconsciously
- how to choose books and stories which offer children a map worth following
- how to craft stories from our own childhood chapters which will captivate children

**Every child needs a hero. Children meet heroes and sheroes in the myths and stories they hear, then they play at being like them. Which ones do you want them to copy?**

- **Sunday 2nd July**, from **9 am** to **3.30 pm**
- Fee **\$155** - includes morning tea & lunch
- At **Surrey Park ELC**, 55 Isabella Street, Invercargill
